

Wine Country Austria – Pure Pleasure in White and Red

Wines from Austria achieve more and more international recognition. Small and beautiful are the boutique wineries, and very diversified is the landscape they are located.

Vintra™ - the Austrian Wine Tour Specialist – connects wine connoisseurs from all over the world with the top vintner in Austria. The individual arrangements combine wine and pleasure at very high level – more under www.vintra.at.

Wine tours and tastings for connoisseurs and wine lovers

Gumpoldskirchen © Vintra

2011 was an excellent year for the Austrian Wine. Perfect weather conditions served for excellent vegetation period – these wines promise highest quality. The vintners are delighted about the increasing international awareness and allow wine lovers interesting insights into the world of the Austrian wine.

Vintra™ - First Class Holidays – brings wine lovers and connoisseurs together with the best vintners of Austria. "our individual arrangements are tailor made to the demands of our guests", says Ingrid Kratzel, the Founder, "accompanied by educated wine experts our guests learn a lot about Austrian wine Culture".

„Only here in Austria we have that perfect opportunity to taste so many varieties of white, red or sweet wines in such a diversified and beautiful landscape“, she means, „combined with art and atmosphere of the charming metropolis Vienna.

Individual and flexible arrangements starting with two persons

Vintra™ arranges private tours into all wine regions of Austria: Styria, Wachau, Burgenland, Carnuntum, Weinviertel, Thermenregion and of course to the vintners in the Wine City Vienna. The tours are flexible, tailor made and available for individuals and groups.

Pure Pleasure

Accommodation in excellent hotels downtown Vienna, meals in very good restaurants, private transfers in elegant limousines as well as private tours and tastings allow a perfect wine experience.
