Wine estates in Burgenland

In the eastern-most territory of Austria, at the boarder of the Neusiedler See, varieties of grapes ripen in 2000 hours of sunshine. The diversity of aromatic white wines, full bodied red wines like Zweigelt and the world known sweet wines have ideal conditions to develop their special taste. Here we find some of the most ambitious wine makers, internationally accepted and known.

Austrian Culture

This year marks the 200th anniversary of the death of Joseph Haydn, the famous composer. In the exhibition "Phenomenon Haydn" allows to discover incredible insights in his work and life. Haydn's musical world is so complex that there will definitely be something for everybody. Haydn wrote nearly as many operas as Giuseppe Verdi. On top of that, he also composed symphonies, string quartets and 14 masses. The exhibition will make clear what a universal musical genius Joseph Haydn was.
