## Visit Wine Estates in Vienna Taste the traditional "Wiener Gemischter Satz DAC"

*Vienna, Austria – the only capital in the world with significant wine industry delivers wines which enjoy nowadays cult status and are listed in gourmet restaurants.*

612 hectares of planted vines within the city limits play a significant economical role, provide a sustainable amount of greenery around the city, and form the basis for high quality wines. The "Wiener Gemischter Satz" is one of the most traditional varieties. This field blend has undergone a long-deserved renaissance and enjoys today a real cult status.

### *"Wiener Gemischter Satz" - a uniqueness of Vienna*

The special feature of Wiener Gemischter Satz – the planting of different grape varieties side by side in one vineyard - delivers a unique aroma and flavor profile, reflecting the special characteristics of the wine's origin. Vintner like Christ, Wieninger, Hajszan or Edlmoser produces this showpiece of Vienna's wine sector.
